Parents' Authorization/Indemnification/Photo Release Agreement and Student Expectations

Year 2 Institute — Lama Foundation, New Mexico

Purpose of this form: 1) confirm that the student whose parents/guardians sign the form is permitted to take part in the Global Youth Leadership Institute (hereafter GYLI); 2) state the agreement between the student's family and GYLI as to the allocation of the risks of student's travel to, from and in New Mexico, living away from home during the institute in an unfamiliar location, and participating in the activities which make up the Global Youth Leadership Institute Program; 3) confirm that GYLI has parental authorization to obtain emergency medical care for the student, should such care become necessary; 4) release GYLI to capture and store images of participants; and 5) confirm agreement between students, parents, and GYLI regarding student expectations during the institute

Please read the language of all **FIVE PROVISIONS** carefully and do not hesitate to call Matt Nink, GYLI Director at (414) 397-1159 if you have questions. It will not be possible for your child to participate in the 2010 Global Youth Leadership Institute unless this form is returned with **signatures at all FIVE REQUIRED locations**.

1. Parental Permission to Participate

As a custodial parent/guardian of _____ (please print student's name), grade _____ (please provide student's grade), I have given her/him my permission to participate in the 2012 Global Youth Leadership Institute. Before signing this permission form, I had the opportunity to satisfy myself as to adequacy and safety of the arrangements for the GYLI. I am familiar with the mental and physical health of my child/ward and his/her ability to travel to unfamiliar places and be exposed to people of different ethnic, cultural, and linguistic backgrounds. My permission for my child/ward to participate is based upon my belief that she/he has the maturity and self-confidence to be able to respond appropriately to the challenges which he/she will encounter during the Global Youth Leadership Institute, as they have been described in the printed materials which I have been given.

2. Parental Risk Sharing and Indemnification Agreement

I recognize that there are risks to my child's/ward's person and property involved in air travel, surface transport, sleeping in a tent, and staying in an unfamiliar setting. I also understand that GYLI could not afford to offer the 2012 Global Youth Leadership Institute if it were required to bear the sole financial responsibility for those risks. Therefore, in order to induce the faculty and staff to make the 2012 Global Youth Leadership Institute available to my child/ward, I agree to share the risk of loss arising from injury to my child/ward and/or her/his property with GYLI by entering into this indemnification agreement in which I accept responsibility for all losses, except those caused exclusively by the negligence of GYLI and/or its agents.

I have reviewed the plans for the Global Youth Leadership Institute and recognize that use of regularly scheduled airlines or other vehicles to provide transportation between our home and Northern New Mexico involves risks to person and property, which may include serious injury and death, and I agree to accept those risks. From my review of the plans for the 2012 Global Youth Leadership Institute, I am aware that my child/ward will also be exposed to the risks of surface travel and I accept the responsibility for those risks. I have reviewed the arrangements for the GYLI and understand that my child/ward will be staying in tents at Lama Foundation with other students and supervised by their chaperones; and I accept the risk that injury may occur to my child while staying there. I have also reviewed the description of the day to day activities which will take place during the GYLI and recognize that attending an institute at Lama Foundation and its surroundings will expose my child/ward to the risks inherent in those activities. I am willing to accept responsibility for those risks.

On the basis of my review of the plans for the 2012 Global Youth Leadership Institute, and to induce the faculty and staff to allow my child/ward to participate in the GYLI, I, in my capacity as parent/guardian of _____ (please print student's name), and for myself and my heirs, successors and assigns, agree to indemnify the GYLI and its trustees, officers, employees and agents (the "Indemnities") for any sums of money for which the Indemnities may become liable as a result of any claim, suit or cause of action which I or my heirs, legal representatives, successors and assigns or my child/ward may have, now or in the future, arising out of my child/ward's participation in the 2012 Global Youth Leadership Institute, unless the claim, suit or cause of action arises solely and exclusively from the negligence of the indemnities, which I have not waived or released by signing this form.

I have read all of this Parental Risk Sharing and Indemnification Agreement, and I have satisfied myself that I understand what it means.

3. Medical Treatment Authorization

As the parent/guardian of _____ (please print student's name), a student participating in the 2012 Global Youth Leadership Institute, I authorize physicians and/or other medical personnel, at the direction of GYLI or my child's/ward's chaperone to provide medical care to my child/ward while he/she is away from home and participating in the GYLI, including examining, treating and prescribing medications for her/his care. I understand that the faculty and staff and/or the chaperone will, to the greatest extent possible, consult with me concerning the reasons for and effects of all such care. Recognizing that it may be impossible to reach me in situations in which the physicians treating my child/ward believe that beginning treatment is medically necessary, I authorize GYLI or the chaperone to permit commencement of treatment when, in the professional judgment of the physicians or medical personnel involved, such treatment is medically necessary, even if I/we have not yet been consulted. In authorizing such emergency treatment, I agree to accept the determination of the treating physician or surgeon that the treatment or examination rendered was medically necessary to protect the life, health or mental well-being of my child/ward. I give this authorization on the condition that the treating physician will attempt to contact me, if at all possible, before the treatment or examination is rendered.

5. Student Expectations

I, as a student participant in the 2012 GYLI Summer Institute understand my responsibilities to GYLI, my school and state and federal laws. Thus, I will not possess, transport or consume or be under the influence of tobacco, alcohol, or illegal drugs, at any time during the 2012 GYLI Summer Institutes or in the travel to and from this Institute. Nor will I be in the presence of any other student who commits these acts. I will follow rules, curfews and guidelines as directed by GYLI staff and my chaperone(s).
