Safety:

We take great care to ensure your safety throughout all GYLI programs. All of our Institute Coordinators are CPR/First Aid certified. Students are in the constant care of both male and female chaperones. Curfews are enforced, safety hazards pointed out, and caring community is established in each GYLI program. Our average faculty-to-student ratio is 1:3, and our commitment is to provide the highest quality physical and emotional safety.

Please use your personal registration profile to list any medical needs. We can certainly accommodate almost any need, and would be glad to discuss a specific situation with you personally.

If you have **any safety concerns** before, during or after the GYLI summer institute, please don't hesitate to call or email your faculty chaperone, the Institute Coordinators, or GYLI Executive Director, Matt Nink (cell phone: 414.397.1159).

Cell phones/electronics:

All GYLI programs are designed to be low-tech community focused. To that end we ask that students do **NOT BRING CELL PHONES or other electronics**. This will prevent any water damage aboard the ship, as well as keep our focus on the relationships within the group. Adults will have cell phones available in case of an emergency. If a student does bring a cell phone, we will simply collect it and return it to the student at the end of the institute.

Transportation:

- Connecticut Trips: Flights should be to and from TF Green Airport in Providence Rhode Island (PVD)

Transportation to and from Airport is the responsibility of GYLI students and faculty at participating schools. GYLI Institute Coordinators will meet all groups at the airport, and transportation during the event will be provided by GYLI with licensed drivers on chartered buses. *Arrival flights on the first day should be scheduled to arrive between 12:00 Noon and 2:00 PM and departure flights on the last day should be scheduled to depart after 2:00 PM.*

Lodging:

All GYLI students and faculty will be sleeping in dorm rooms for the first night at Mitchell College (CT). The rest of the trip will be spent aboard the tall ship. Students and adults will sleep in separate areas by gender. See packing list for appropriate program attire. No prior camping or sailing experience is necessary.

Meals:

GYLI will provide all meals beginning with dinner on the first day of the program and ending with breakfast on the last day. Please use your GYLI website profile to list any dietary restrictions or preferences. **NO NEED TO BRING SNACKS**—we will provide plenty of healthy, energy sustaining snacks.

Sign up and Registration:

Each GYLI student and faculty member will be emailed registration links by their school GYLI contact.

Tuition Costs:

The tuition cost for the Year 1 institute is \$1,750. This includes meals, bus transportation, lodging, guest speakers, and all program materials. This cost DOES NOT include airfare.

Other Costs:

These may include transportation, lodging before or after the institute or other costs as determined by each GYLI school. Please see your GYLI school coordinator for a breakdown of these costs.

Parent Permission/Student Expectations form and Student Health form:
